Friends Summer Book Sale at Fremont Library

The Friends of the Fremont Area District Library are busy preparing for their annual used book sale, which will be held during the National Baby Food Festival in the library's Community Room.

The sale is scheduled for Tuesday, July 20th through Friday, July 23rd from 9:30 a.m. to 4 p.m. Friends of the Fremont Area District Library memberships may be purchased at the sale, but there will be no "Friends Only" day for the sale this year.

Along with a variety of books covering many genres, the sale will also offer videos, audio books, music, games and toys, plus items from the Friends Gift Shop.

All proceeds from the sale go to support library programming and library materials for children, teens, and adults. Join us July 20th-23rd and discover a treasure!
