Fremont Library Hosts Mat Emerick & Kooky Kryptids

The library will host its second children's Discovery Tuesday program of the summer with local entertainer Mat Emerick! On Tuesday, June 15th at 10:00 a.m., bring the kids to Veterans Memorial Park (weather permitting) for a fun program outside!

Mat is a regular presenter at FADL and his presentation this summer is "Professor Snoopenheimer Snoops Out Kooky Kryptids." The brilliant but eccentric professor is snooping out kryptids (cryptids) mysterious animals and creatures that may or may not exist, like BigFoot and the Michigan DogMan. What's also fun is to snoop out the wonderful things you can learn, places you can go, adventures you can have and wonders you can find... like animal "tails and tales" all in a book! The show features acting, stories, music, mime illusions, juggling, acrobatics and wonderfully colorful characters and costumes!

Please bring a chair or blanket to the park for comfy seating. All ages (adults, teens, and children) can still get signed up for Summer Reading at the library. We've got some great prizes to win this year! See www.fremontlibrary.net for more info.

Thanks to the generous support of the Friends of the Fremont Area District Library, the Koffee Kuppe, Spanky's Pizza, Meijer, We Love Nutrition, Blades Hair Design, SHB Gifts & Décor, Fremont Area Community Foundation, and many other sponsors, all summer reading events at the library are free and open to the public. For more information about library programs, visit <http://www.fremontlibrary.net>, or call 231-924-3480.
