Bestselling Author Plus Two Earth Friendly Events at Fremont Library

Live @ the Library, a series of events including author visits and informational presentations at Fremont Area District Library is thrilled to host three fantastic events soon.

Angeline Boulley Presents: Firekeeper's Daughter

Thursday, April 18th at 5:00 p.m.

Meet the #1 New York Times Bestselling Author, Angeline Boulley! *Firekeeper's Daughter* is a YA novel about an Indigenous teen who witnesses a shocking tragedy and puts her life on the line to find the truth and save her community. This book is also the current Great Michigan Read and it is soon to be adapted to a series on Netflix. This event is brought to you in partnership with the Fremont Area Community Foundation and the Michigan Humanities Great Michigan Read, and will be held in the Fremont Library's Community Room on Thursday, April 18th at 5:00 p.m. Copies of the book will be available to purchase and get signed by the author.

Vernal Pools: The Coral Reef of the Forest

Thursday, April 11th at 7:00 p.m.

Vernal Pools are often called the forest version of a coral reef. They are the home of at least 4 indicator species that cannot survive if vernal pools didn't exist. Come learn about these special places just before the real action takes off in them this spring, and learn how you can be a part of scientific research and help protect these little spring oases. This event is for all ages. Presented by the Newaygo County Environmental Coalition.

Chris Edwards Presents: Climate Change as of 2024

Monday, April 15th at 7:00 p.m.

Chris Edwards will present a verifiable fact-based look at the scientific state of the issues and impacts involved in climate change, localized in many ways to Michigan. We will explore a range of ideas to address the significant challenges we face, including what each of us can do.

Chris Edwards began his career as a forecaster in the U.S. Air Force. He was one of the first meteorologists with The Weather Channel in Atlanta before moving on to forecast at WISN-TV in Milwaukee, and KYW-TV in Philadelphia. Edwards was honored with three Emmy awards for environmental reporting and weathercasting, and was recognized by the Michigan Chapter of the National Association of Television Arts and Sciences for Best Weathercast in 1999, 2001, 2002, 2003, and 2004.
