## *Battles of the Great Lakes Presentation at Fremont Library*

Live @ the Library, a series of events including author visits and writing workshops is welcoming Restless Viking to the Fremont Area District Library to present Battles of the Great Lakes.

Explore famous history from the War of 1812 and some obscure history of sneak attacks involving the British and United States near the straits of Mackinac. Restless Viking will present the history of aircraft carriers that sailed on Lake Michigan for training missions, the first military drone program (during WW2) that took place in northern Lake Michigan, and they'll cover the assassination of King Strang of Beaver Island. This free program will begin in the library's Community Room on Tuesday, July 12th at 7:00 p.m. Adults who are signed up for the Summer Reading Program may count this as one book read on their reading logs.
