## *Michigan Notable Author, Harry Potter Day, Fandom Day, and More at Fremont Library*

The Fremont Area District Library is planning to host several fun and educational events in May for the whole family. These events are FREE, as always.

**Michigan Notable Author Daniel Clark** will present his book, *Listening to Workers: Oral Histories of Metro Detroit Autoworkers in the 1950s*. Using interviews and archival research, *Listening to Workers* uncovers the personal and often overlooked lives of Detroit-area autoworkers in the 1950s. The book explores the complexities of their experiences, addressing issues like poverty, divorce, workplace dangers, and personal struggles, challenging the notion of the 1950s as a time of widespread prosperity. Offering a humanizing perspective, it presents workers as multidimensional individuals, with rich, personal stories that go beyond traditional labor history. Daniel Clark will be at the library on Tuesday, May 27<sup>th</sup> at 7:00 for this presentation.
