### *Dr. Wayne Premo Presents Water Wonderland at Fremont Library*

You may know Dr. Wayne Premo as a dentist in Fremont, but he's also known as "The Waterfall Guy." In this program, you'll see slides of his beautiful photography featuring old and new images of waterfalls in the central western Upper Peninsula, along with commentary on the history of these stunning images. The waterfalls have their own stories. Some of the most beautiful, including the #1 most beautiful, you will see for the first time. Why?

Join us in the library's Community Room on Tuesday, September 28<sup>th</sup> at 7:00 p.m. for this free event.
